Dubai - Dubai malls are featuring an array of entertainment to lure customers to shop again and to give them additional value for their money.

At BurJuman this weekend, Dubai Voices, a group of young multinational resident singers that wowed crowds at Deira City Centre in their first show last week, is back.

The group will perform at the Observatory opposite Virgin Megastore from July 2 to 4. The show is a unique entertainment event during this year's Dubai Summer Surprises (DSS).

Led by Bryan Furrado, a singer, actor, dancer, music teacher, and the musical director of the group, Dubai Voices performs three different acts featuring interpretations of Broadway musicals, classic non-lazy world music, and other

popular songs. At Dubai Shopping Malls Group, Surprising Millions campaign continues with the latest group of weekly winners to be announced at a fun-filled event at the Arabian Centre mall.

Majid Al Ghurair, Chairman of Dubai Shopping Malls Group (DSSMG), said the weekly raffle draws, which are held by different malls every week, include entertainment, which starts at 6pm at the Arabian Centre and a chance to drive home nine four-wheeled drive vehicles.

Dubai eGovernment is also offering its electronic platform to support the activities of DSS, which is being held under the theme "Surprising Dubai".

The initiative will enable the public to get information about daily activities related to DSS through the "mDubai" SMS service and through Dubai eGovernment's call centre "AskDubai" on 700040000. Dubai eGovernment is also distributing eServices brochures at major facilities.

Ahmed Mohammed bin Humaidan, Director General of Dubai eGovernment, said Modhesh Friends Forum will once again host various activities
